## *Frequently Asked Questions*

### *What COVID-19 precautions are you taking?*

With spread and concern with COVID-19 we want to ensure you that we take this and every illness seriously. Being licensed estheticians and cosmetologists, we are trained on disinfection and sanitation from the beginning. We take pride in always having a clean and sanitary kit, never double dipping into products, sanitizing our hands tools and brushes after every client and every event. We will wear a mask until the government mandate is lifted, but can always wear a mask at the request of the client. We wash our hands as well between clients and maintain a clean work environment. Items that are meant for one time use, are just that, used one time and tossed as well for your health and safety. These are all practices we had before the pandemic and will continue to work this way afterwards.

### *What is your cancellation policy if our venue cancels due to a pandemic such as COVID-19 or the wedding has to be cancelled? What about rescheduling?*

In the event you have to reschedule your wedding date due to unforeseen pandemics, an act of war, mother nature or a government shutdown we are more than happy to reschedule your date with no changes if the proposed date is available. If for some reason you need to cancel your wedding or the rescheduled date is not available, your \$100 deposit will be refunded with 30 days notice. After 30 days a 50% refund of the total contract will be given. This is further outlined in our contract. We are only making the exception for government shut downs due to a pandemic, act of war or mother nature.

### *What type of makeup do you use?*

We have many different types of makeup brands, finishes and types to fit all skin types, conditions, shades, sensitivities, allergies and looks. I use a combination of traditional makeup and airbrush makeup for all bridal work on an as needed basis.

### *Do I need a trial session prior to my wedding day?*

In a word, yes. Though trials are not mandatory for your wedding, they are strongly encouraged! This will give us time that isn't stressful to meet, go over your vision, discuss options, and create the best look for you!

### *How long have you been doing wedding and special event hair and makeup?*

We have glammed 100's of brides since 2007

### *How long does makeup and hair take?*

For makeup services for the bride it takes around an hour and 15 minutes to an hour and 30 minutes. For bridal party makeup it is an hour per person. Hair for the bride it is around 45 minutes and for the bridal party it is 30-45 minutes depending on style and amount of hair.

## *Frequently Asked Questions*

### *When should I book my trial?*

Your trial or preview session should be done between 3-6 months prior to your wedding day. This way you have an idea on the time frame, look and feel of your wedding, your dress selected, etc. Trials are done Monday - Friday in studio.

### *Can I do my trial for my bridal shower or engagement photos?*

You can, but it isn't recommended unless you want to look the same on your wedding day. Your bridal shower and engagement photos are a little more casual; your wedding look is usually a little more than what you would do for those occasions. We recommend doing your trial with a dress fitting if schedules permit that.

### *How long does each service take on the day of?*

Each service is about 30-45 minutes for hair and an hour or so for makeup. We of course take the most time on you, the bride, your hair can take 45 - 60 minutes and makeup about an hour and 15 minutes.

### *Do you provide lashes?*

Yes, complimentary lashes are provided as needed or desired with all services. Strip and/or individual lashes are used.

### *What brand of makeup/hair products do you use?*

We use a variety of products based on our years of research, trial and performance. Some of our favorites include; Nars, MAC, Charlotte Tilbury, Makeup Forever, Temptu, Aquage, Davines and Redken. If a special allergy or request is needed, please let us know.

### *Do you charge extra for holiday weddings?*

We do not charge extra for holiday weddings. As these weekends are always high in demand, we do ask for a minimum of \$800 on a holiday or holiday weekend. Holidays include: New Year's Eve/Day, Easter, Thanksgiving and Christmas.

### *What do you do for large parties or small time frames?*

If your bridal party needs more than 8 total services, or your time frame to get ready is minimal, an additional artist may be needed. An additional fee of \$100 per artist may apply for administration and travel fees. You will be notified if there will be any additional fees prior to the wedding day.
